Just What Are We Up To??

Community Service

These are hard times for many Americans and that is why Kiwanis has a Community Service Committee. Under the direction of Chairperson Pam Weaver, several boxes of food were collected for distribution to Hilltop residents. Pictured to the right are Kiwanians Paul Pennell, John Beattie, Harold Hambrock and Pamela Weaver. Below are Kiwanians Pastor Karen Cook, Ron Wilcox, Buck Spadaro and Pamela Weaver. Former Kiwanian Mary Arensberg delivered three boxes of food to add to the 15 boxes previously collected.

The Community Service Committee is always on the lookout for ways to help the Hilltop.

Programs are Filling Up!

Sandy Robert, Program Chair for the 2010-2011 year has been busy making sure that our weekly meetings are both informative and entertaining.

A complete schedule of speakers is currently posted online at our website www.hilltopkiwanis.com under the Calendar tab. While you're there, make sure to take a trip around our website and see what we've been up to.

If you have a speaker you'd like added to the program or if you have an interesting topic you'd like to present to the club, please contact Sandy Robert in care of our website. Better hurry though as Sandy is quickly filling in the open spaces!

2011 Patriotic Pride Project

Letters are being written and envelopes are being addressed and stuffed announcing the start of the 2011 Patriotic Pride Project.

For the second year, we will be renting American Flags on 10' flagpoles which we will place in your yard for the five flag holidays. We will bring the flag, put it up a few days before each holiday, and take it down a few days after. We will do this five times a year for a fee of \$30.

If you would like to participate in this worthwhile project or if you would like additional information, please contact us at hilltopkiwanis@yahoo.com or through our website at www.hilltopkiwanis.com.

Flags are erected throughout Franklin County.

Volunteers are the only human beings on the face of the earth who reflect this nation's compassion, unselfish caring, patience, and just plain love for one another.

President's Corner

We are fast approaching the busy time in our year. Looking at our calendar I see a Membership Drive, a Pancake Breakfast, a High School Art Show, and the Hilltop Bean Dinner.

Shortly after that the Buckeye Ranch Community Fair, the Stuff the Bus Program and the Farm Science Review will fill the agenda. The Patriotic Pride Project mentioned earlier in this newsletter is beginning as well.

Each and every one of these projects will require "people power". I am counting on my fellow Kiwanians to volunteer their time because frankly, that's what Kiwanians do.

It is not necessary to wait to be asked. We will be talking about each of these items at our Thursday meetings. Stand up now and step forward to assist us in whatever way you can! In the words of last year's Gov. Don Parker, "Do Something".

Thoughts and Prayers

Please keep all of our Kiwanis family in prayer that we may better serve our community.

Rev. Koster is back on his feet. Bob Kistler is on the mend getting back his kicking leg. He has a good nurse.

Judy Andrews is now back and rolling along.
