## Busy, Busy, Busy

As usual, the Hilltop Bean Dinner was a success with Hilltop Kiwanians wearing a number of hats.

The President and President Elect were at the International Convention resting easily knowing that Hilltop Kiwanis was in good hands.

Little birds mentioned some of the goings on of the day. The Kiwanis snow cone and walking tacos went over well. A glitch in our donated generator went unnoticed when Roger McCoy and Buck Spadaro calmly started a backup and the show was underway. John Beattie and Paul Johnson along with Roger and Buck took charge of the setup and teardown, Pam Weaver memorialized the event by taking photos, and from what I've been told the baseball game was a success with Vice President Judy Andrews keeping score and Kiwanians Scott Alan Hubbard and Adam Kearns playing against the Ohio Historical Society Muffins. I heard they could have used a few more runs on their side of the scoreboard but there's plenty of time to practice between now and next year.

Our own Jerry Freeman coordinated this massive event on behalf of the Hilltop Business Association for which our Vice President, Judy Andrews, is serving her second term as President.

Kiwanians wear many hats. Thanks to all who took time out to help that day.

## Membership

The Hilltop Kiwanis “Virtual Golf Tournament” is in full swing.

This new membership drive takes the form of a traditional golf tournament that you would see on TV any given Sunday. The course is a Par 3 course lasting 18 weeks to represent an 18 hole golf course.

A club member attending a club meeting receives “par” or 3 strokes. A member bringing a guest is one under par. A member bringing in a new member receives a hole in one. Anyone missing a meeting is given a bogey.

Through the 11th hole as of July 8th, the Leader Board has a three way tie for first place.

John Beattie  
Harold Hambrock  
Roland Lane

In the lead and tied at a 4 under par 29

Adam Kearns  
Second Place at 3 under par 30

Jerry Freeman  
Third Place at 2 under par 31.

Chuck Roush  
Fourth Place at 1 under par 32.

The balance of the membership is spread across the course in various sand traps and roughs showing up to 38 strokes. Several members have yet to leave the clubhouse.

Previously the Olympic Medal Membership Drive proved successful by bringing in new members Dan Stewart, Michael Stinziano, Bernie Brogan, Arizona Stischok, and William Tantarelli. The current tournament has resulted in new member Scott Alan Hubbard, with West Broad Elementary School teachers Julie Meyer and Pam Seeley awaiting induction on July 22nd and Key Bank’s Carol Schuler on July 29th. Go Hilltop!

Thanks to all Kiwanians who worked the July Fest at Twin Valley Behavioral Health!!

## ELIMINATE Project

With The ELIMINATE Project, Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

To eliminate MNT from the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take \$110 million — and the dedicated work of UNICEF and every member of the Kiwanis family.

Kiwanis and UNICEF joined forces to tackle iodine deficiency disorders, achieving one of the most significant public health successes of the 20th century. Now, they are eliminating MNT from the face of the Earth. And in doing so, the project will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families.

## Thoughts and Prayers

Glad to see Sharon Pennell at a recent club meeting and to hear that Linda Baker is improving as well. Keep the prayers coming!
